1. In all events where preliminary heats are necessary or in any timed final event for which the swimmer has been positively checked in, after the heats have been seeded, any swimmer who fails to compete in an individual event heat in which such swimmer entered and has not been scratched will be barred from all further individual and relay events of that day.
2. To be eligible for subsequent events on any following days, the swimmer or coach must confirm all future swims for that swimmer with the Meet Referee, or designee.
