Other 1650 free heats will be swum fastest to slowest as the last heats during prelims (AM).

Seeding shall be in the following order: Qualifying short course yards (SCY), qualifying long course meters (LCM), qualifying non-conforming distance SCY (for 1000/1650 only), qualifying non-conforming distance LCM (for 1000/1650 only), SCY bonus, LCM bonus, non-conforming SCY bonus (for 1000/1650 only), non-conforming LCM bonus (for 1000/1650 only). **(Y, L, YB, LB)**

relay events that day. Additionally, that swimmer shall not be seeded in any individual events on succeeding days unless that swimmer declares an intent to swim with the admin referee prior to the close of the scratch box for the succeeding day's events.

In a Prelim/Final meet, the finalists and alternates for finals shall be announced and shall have thirty (30) minutes after the announcement to scratch from finals. Any qualified swimmer in the event (a swimmer is qualified for finals, consolation finals or any other bonus final heat if he has successfully completed the event in Prelims) may be moved into finals due to scratches, therefore all swimmers who will not be present at finals must scratch to avoid a possible suspension from the meet. Thirty (30) minutes after the announcement, no further scratches shall be accepted, the existing scratches will be tabulated and the finalists and two (2) alternates for the event shall be set. Only the finalists set at this point may be subject to the below fines and banishment from competition, even though any qualified swimmer may be moved into finals.
